

Attraction Ticket Information

LEGOLAND Florida is located in the central Florida region within a 45 minute drive of both Tampa and Orlando. The park is being incorporated within the historical Cypress Gardens location in Winter Haven, where the gardens have been restored and LEGOfied! The 150 acres of LEGOLAND Florida is suggested to be a two-day experience full of exploring the LEGO Universe where you can interact with LEGO products on a larger scale. LEGOLAND Florida theme park is geared specifically towards families with children 2-12, and LEGO fans of all ages. Nearly all of the rides and activities feature LEGO models that are hands-on and interactive. LEGOLAND offers over 50 rides, shows, and attractions to really give visitors a wide variety of things to do throughout the day. Some of the shows and attractions include the famous Miniland where large US cities and their events will be recreated in LEGO bricks. New York, Washington DC, and Florida's historical landmarks are just a few featured. The attention to detail in these displays is outstanding. For example, the Obamas might be standing out on the White House steps with their dog Bo!
